Re: Officer Theresa Cavett, Badge # 2399

Dear Chief Williams,

The Cuyahoga County Prosecutor's Office is required by law to obtain and to disclose to the defense any and all potential impeachment evidence relative to its witnesses. Potential impeachment evidence includes, but is not limited to, any disciplinary actions against officers and any instances involving dishonesty or a lack of candor, or a demonstration of bias. We reviewed the Inspections Unit Investigation report dated 12/07/2018 and have determined that this does NOT constitute Giglio Material

We respectfully request that you notify Officer Correa of this decision.

Thank you very much.

Respectfully,

Lisa Reitz Williamson
First Assistant Prosecuting Attorney
