

Community Police Commission 18-Month Work Plan Feedback Form

The Community Police Commission (CPC) needs community input to finalize the plan that outlines the work of its committees over the next 18 months.

Your insights and perspectives as members of the Cleveland community are critical to guiding the CPC's work as we maintain our duties to Charter Section 115-5 and move forward to quickly move into compliance with the Consent Decree.

Feedback will be considered by the commission to help improve the commission's work plans for the remainder of 2023 and 2024. It will also give you, members of the Cleveland community, an opportunity to identify a project that best aligns with your interests and expertise to get involved with as part of a work group.
