Old Business

There was a discussion about the CPC Evidentiary Manual (CPC Bylaws 2.4.4).
Concerns include:

The Committee discussed the Matrix “bucket.”
- implicit vis explicit bias, how do you act on bias implicitly?
- how do you work outside of the matrix?

The Committee discussed the intake “bucket.”

- hunting for cases?
- misdemeanor criminal charges
- Garrity issues
- a lot of the investigation is internal; a member of the public might not follow it or know about it.

The Committee discussed the briefing & hearing process “bucket.”

The Committee then discussed the next steps which will include a Work Group to be assembled at a future date.

Public Comment

Loh expressed concerns about the wording and phrasing of the draft bylaws.
