Re: Sergeant Robert Strollo, Badge 9123

Dear Chief Williams,

The Cuyahoga County Prosecutor's Office is required by law to obtain and to disclose to the defense any and all potential impeachment evidence relative to its witnesses. Potential impeachment evidence includes, but is not limited to, any disciplinary actions against officers and any instances involving dishonesty or a lack of candor, or a demonstration of bias. The Cuyahoga County Prosecutor's Office has determined that the following material is potential impeachment evidence that this Office must disclose to opposing counsel concerning Sergeant Robert Strollo: CPD Letter of Disciplinary dated 07/28/2016, CPD IA Investigative Reports dated 02/07/2018 – 03/23/2018, Cleveland Municipal Court Docket 2018 CRB 003343.

We respectfully request that you notify Sergeant Strollo of this decision.

Thank you very much.

Respectfully,

Lisa Reitz Williamson
First Assistant Prosecuting Attorney
